

PRODUCT SPEC PAGE

Collection Name

Smart Oak Express (12mm)

Our new 12 mm line is precision engineered in exactly the same way as our 16mm and 21 mm platforms with zero compromise. With a 3 mm oak lamella and 9mm WPB birch ply base, these boards will remain stable even if boiled in water. With our 'Smart Oak' platform you get the very best quality engineered oak floorboard available in the market at a seriously competitive price.

Our 12mm Smart Oak Express engineered oak is a fantastic solution for both large-scale commercial and residential properties that require premium wood at the most competitive trade price. These natural yet modern finishes are available in 6 current colour in 7 current colours
